

2022 Villager's Vision for the Future Scholarship

Villager Construction, Inc. is a privately-owned company founded in 1980. At Villager, we work as an open shop general contractor, sub-contractor or project manager. We employ 200+ highly skilled project managers, superintendents, foremen, operators, laborers and drivers who together handle bonded work for municipalities, state and federal agencies ranging from \$5,000 to \$25 million per project.

Villager is looking to give back to the community and to their employees with the creation of the Villager's Vision for the Future Scholarship. Each year we will award scholarships to children or grandchildren of a Villager or American Equipment employee. American Equipment has been instrumental in the creation & success of fundraisers for this scholarship and we would like to include and thank them.

To apply please select one of the following topics and write a one page, single spaced essay answering the question.

- *If you could have lunch with any famous person, dead or alive, who would it be, why, and what 3 questions would you ask them?
- *What is your proudest academic achievement and why?
